Dear Sir,

I am writing to recommend Steven Adam Renkovish. I had the pleasure of working directly with Steven when I was the general manager of the Easley Progress, Pickens Sentinel and Powdersville Post from 2008 to 2010.

Steven wrote a weekly movie review column for our newspapers. His writing style was crisp, entertaining and out of the box.

For example, in his review of Magnolia he recounts the director's previous project, "Boogie Nights", a story which focused on actors in the adult film industry and focused not on their profession, but the people themselves.

Steven thoroughly enjoyed his work. He was easy to work with and followed instruction.

It was a pleasure working with him during that time.

If you have any questions, please feel free to contact me at the above address.

Sincerely,
Alex Saitta
